FOR IMMEDIATE RELEASE

CONSTELLATION 3D ACQUISITION COMPLETED IN NEBRASKA

On February 24, 2012 Fairways Exploration & Production, LLC (“Fairways”) completed the Constellation 3D seismic survey. Due to the excellent execution of the Fairways team and its service providers, the project was completed ahead of schedule and under budget. Fairways expects to complete processing by June 2012 and preliminary interpretation by September 2012 with drilling to commence shortly thereafter.

Fairways is a privately-held company focused on high-impact exploration and development of onshore oil and natural gas reserves in the lower 48 states.
