FOR IMMEDIATE RELEASE

STATES #1-21 SPUDED

On October 5, 2011, Fairways Exploration & Production, LLC ("Fairways") spudded the States #1-21 in Teton County, Montana a 7,200' MD wildcat. In addition to the primary Duperow target, Fairways expects to take core through the highly prolific Bakken/Three Forks. Upon completion of core testing, the decision will be made as to whether or not Fairways will drill a horizontal lateral into the Bakken/Three Forks.

Fairways is a privately-held company focused on high-impact exploration and development of onshore oil and natural gas reserves in the lower 48 states.
